The conditions were perfect for the 4th Annual Animal Swim and Beach Trot. 150 people from around the country entered the 1 mile ocean swim race or 1 mile beach run. With balmy 80 degree water, calm conditions, light breeze and clear blue skies, we could not have asked for a better day. With the help of all the participants and our very generous sponsors, we raised over \$7500 for the Wildlife Care Center in Fort Lauderdale, a nonprofit organization that rescues and rehabilitates over 15,000 animals per year.

Below are the results of the races.
